Since 1991, KC Caps has been the leader in the headwear industry not only in quality, but in new unique styles. Our attention to fashion at affordable prices make us second to none. We continue to set market trends with a wide variety of materials, styles and construction features.

Quality, Service and Innovation have always been our goals. We believe you will find them not only in our selection of headwear, but in our friendly and knowledgeable staff as well. KC Caps has one of the largest inventories in America and can deliver the excellence you deserve.

At KC Caps, we have the ability to develop all products in house. Because we own our factories, we have a huge advantage over the competition. With the ability to customize production, we can accommodate each of our customer's needs. We have the resources that allow us to source the best retail quality products and deliver on time in order to exceed your customer's expectations.

IN-HOUSE EMBROIDERY

KC Caps leads the industry in offering exceptional quality embroidery at competitive prices. Let KC Caps support your quick turnaround needs with our 7-10 day turnaround from receipt of accepted art. KC Caps in-house embroidery service supports both small and large quantity jobs.

Digitizing Professionals are on site for immediate access to fill your clients custom artwork needs. Our state of the art machines can accommodate both flat and 3D embroidery.

Contact any of our customer service representatives in our regional facilities for all the details on placing an order. Don't forget to ask about our embroidery specials to get great pricing on our products with embroidery!
